

	ENVIRONMENTAL POLICY	Version 08 Date March 2018
Revised and approved by: José M^a Menacho Rodríguez Guerra		

LA RESERVA CLUB DE GOLF is aware of the importance of caring for the environment and therefore believes it should adopt a firm environmental commitment that contributes to the sustainable development of its activities. La Reserva Club de Golf is therefore committed to undertaking its activities in a responsible and environmentally-friendly way, offering both a service and a golf course of the highest quality, making golf a form of sustainable tourism.

This commitment is enshrined in the Environmental Policy of La Reserva Club de Golf, which must be respected by EVERYONE and is based on the following principles:

- ❖ *Ensure constant improvement in the Club's environmental behaviour by implementing an Environmental Management System that meets the guidelines of the UNE-EN-ISO 14001:2015 international standard.*
- ❖ *Comply with the requirements and expectations of our clients and other interested parties in pursuit of the highest levels of quality.*
- ❖ *Comply with all applicable local, regional, national and European legislation, as well as any other requirements applicable to the organisation.*
- ❖ *Establish all necessary environmental protection measures to prevent pollution and enable the rational use of natural and energy resources, contributing to sustainable development.*
- ❖ *Plan and manage processes, improving efficiency and ensuring respect of the environment.*
- ❖ *Provide the necessary training to all employees so they achieve the level needed to perform their duties and so that they understand and apply the Quality and Environmental Policy.*
- ❖ *Assess environmental management effectiveness through internal audits.*
- ❖ *Communicate the Club's Quality and Environment Policy and the targets established to employees.*
- ❖ *Make the Policy available to the interested parties and promote the active participation of members and employees, compiling any criticism and suggestions via the email address provided for this purpose: lareserva@sotogrande.com.*
- ❖ *Ensure constant improvement in our internal processes.*

La Reserva de Sotogrande Club de Golf applies these principles when setting its targets, which are regularly assessed and approved by the management and which take into account the needs of golfers, employees and other interested parties.
